

The Power of Talk

Be Resilient

Everyone has a go at talking and sharing their ideas.
Sometimes we might use talk tokens.

"I think because....."

Be reflective

Explain your answer using what you already know and key vocabulary to explain your answer.

"So far we have talked about"

"Why do you think"?

Be resourceful

Prove it! Can you use a manipulative or resource to help you

"Can you show me how.....?"

"Could there be a different way to"?

Build relationships

Ask a friend for help. Politely disagree and explain why.
Everyone agrees on a decision.

"I agree/disagree because and I also think that....."

Be respectful

Take turns when talking and listen to what others are saying.

"X's point is interesting because I also think that....."

The Power of Talk

Be Resilient

Everyone has a go at talking and sharing their ideas.
Sometimes we might use talk tokens.

"I think because....."
"What's the same/ different?"

Be reflective

Explain your answer using what you already know and key vocabulary
to explain your answer.

"So far we have talked about" *"Why do
you think"?*
"Can you explain the small steps of this learning?"

Be resourceful

Prove it! Can you use a manipulative or resource to help you.

"Can you show me how.....?"
"Could there be a different way to"?
"Would it work with?"

Build relationships

Ask a friend for help. Politely disagree and explain why.
Everyone agrees on a decision.

"I agree/disagree because and I also think that....."
"On the other hand....."

Be respectful

Take turns when talking and listen to what others are saying.

"X's point is interesting because I also think that....."
"Can you clarify what you mean by....?"
